End-of-Sale and End-of-Life Announcement for the Cisco SPA232D Multi-Line DECT ATA and SPA302D Multi-Line DECT Handset

EOL10611 - Amended

Cisco announces the end-of-sale Cisco SPA232D Multi-Line DECT ATA and SPA302D Multi-Line DECT Handset. The last day to order the affected product(s) is December 19, 2015. Customers will continue to receive phone support from the Cisco Small Business Support Center (SBSC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active product warranties, support will be available as stated in the product warranty terms and conditions.

Table 1.   End-of-Life Milestones and Dates for the Cisco SPA232D Multi-Line DECT ATA and SPA302D Multi-Line DECT Handset

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	September 19, 2015
End-of-Sale Date: HW	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	December 19, 2015
End of Phone Support: HW	The last date to receive phone support as part of the product warranty. After this date, all phone support services for the product are available with additional charges or support fees. In some cases, support may not be available.	December 18, 2016
Last Ship Date: HW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	March 18, 2016
Last Date of Support: HW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete **. Warranty duration is based on product ship dates; refer to warranty terms and conditions for details.	December 31, 2020

HW = Hardware   OS SW = Operating System Software   App. SW = Application Software

Note: The products listed in this End-of-Life bulletin have now passed their End of Software Maintenance milestones. No new firmware loads will be released for these phones.

Table 2. Product Part Numbers Affected by This Announcement

End-of-Sale Product Part Number	Product Description	Replacement Product Part Number	Replacement Product Description	Additional Information
SPA232D	Analog Telephone Adapter with DECT Base Station	There is currently no replacement product available for this product.	-	-
SPA232D-G1	Multi-Line DECT ATA	There is currently no replacement product available for this product.	-	-
SPA232D-G1-1	Multi-Line DECT ATA	There is currently no replacement product available for this product.	-	-
SPA232D-G7	Multi-Line DECT ATA	There is currently no replacement product available for this product.	-	-
SPA232D-G7-1	Multi-Line DECT ATA	There is currently no replacement product available for this product.	-	-
SPA232D-R1	Multi-Line DECT ATA	There is currently no replacement product available for this product.	-	-
SPA232D-R7	Multi-Line DECT ATA	There is currently no replacement product available for this product.	-	-
SPA232D-RC	Analog Telephone Adapter with DECT Base Station	There is currently no replacement product available for this product.	-	-
SPA232D-XU	Multi-Line DECT ATA, SRPT Removed	There is currently no replacement product available for this product.	-	-
