

How to Subscribe the CES Notification Emails for Maintenance, Outages, or Upgrades?

Introduction

This document describes how to subscribe the notification emails related to maintenance, outages, or upgrades, which occurs within the Cloud Email Security (CES) environment.

How to Subscribe?

1. Navigate to <https://status.ces.cisco.com/> and click on the **SUBSCRIBE** button.
2. Select a subscription type (EMAIL, SMS, RSS FEED).
3. Enter your personal information.
4. Click on **Subscribe to Alerts**.

Note: In order to manage the subscriptions that exist, follow step 1 and then click on **Manage Existing Subscription** at the bottom, as shown in the image.
